STREAMLINED FINANCIAL HARDSHIP WAIVER RENEWAL CERTIFICATION

The Union Mission (“Licensee”), licensee of WJGN-CA, Chesapeake, Virginia (Facility ID No. 66549), hereby certifies that WJGN-CA requires an additional one-year extension of time in which to achieve compliance with the requirements of the Commercial Advertisement Loudness Mitigation Act (the “CALM Act”) and, as set forth herein, requests renewal of its waiver of the deadline for CALM Act compliance.

Pursuant to the streamlined waiver process set forth in the Commission’s December 13, 2011 *Report and Order* in this proceeding, Licensee requests renewed waiver for WJGN-CA as a “small broadcast station.”¹ Under the procedures adopted in the *Order*, a “small broadcast station” was allowed to seek an initial waiver of the December 13, 2012 deadline for compliance, as well as an additional one-year renewal of that waiver, by certifying to the Commission that it qualifies as a “small broadcast station” and that it requires waiver of the deadline to obtain specified equipment to avoid financial hardship.² This request is timely filed in light of the Commission’s suspension of filing deadlines due to the government shutdown.

¹ Implementation of the Commercial Advertisement Loudness Mitigation (CALM) Act, *Report and Order*, 26 FCC Rcd 17222, 17253, n. 228 (2011) (the “*Order*”).

² *Id.*

As set forth in the attached Certification of Linda B. Vaughan, Licensee certifies that it satisfies the definition of “small broadcast station” set forth in the *Order* by virtue of the fact that the station has less than \$14 million in annual receipts. Licensee further certifies that to avoid financial hardship, it requires an additional one-year extension of time to obtain certain specified equipment necessary for WJGN-CA to comply with the Commission’s CALM Act requirements.

For the foregoing reasons, Licensee respectfully requests a one-year renewal of waiver for WJGN-CA to comply with the CALM Act.

Respectfully submitted:

CERTIFICATION OF LINDA B. VAUGHAN

Linda B. Vaughan hereby certifies as follows:

1. I am Executive Director of The Union Mission.
2. The Union Mission is the licensee of Station WJGN-CA, Facility ID 66549, Chesapeake, Virginia.
3. During calendar year 2012, WJGN-CA had less than \$14 million in annual receipts. It is anticipated that WJGN-CA will also have less than \$14 million in annual receipts for 2013.
4. To achieve compliance with the Commission's CALM Act requirements, WJGN-CA must install certain equipment, including a loudness controller device and software.
5. As initial estimates have indicated that the costs for such equipment will be a minimum of several thousand dollars, The Union Mission requires an additional one-year renewal of waiver of the Commission's CALM Act requirements for WJGN-CA to allow it time to raise the necessary funds to obtain the necessary equipment while avoiding financial hardship.
